## Standard Skid Steer to Mini Universal Adapter

Worksaver, Inc. has designed an adapter that allows “universal” Mini Skid Steer / Compact Tool Carrier attachments to be connected to a standard skid steer. The adapter which mounts to a standard skid steer is designed to accept attachments with the “universal mini mount (Toro-Dingo, Boxer, Ditch Witch, Ramrod etc.). This adapter provides greater versatility to your customers’ choice of attachments. In addition, the customer can easily switch attachments between a Mini Skid and standard skid steer, resulting in greater functionality, while offering the owner a low cost of ownership.

Available: Production starts November 21, 2016
