John Deere 200X, 200CX, H120 Loaders to Skid Steer Adapter

WorkSaver, Inc. announces an adapter designed to interface with John Deere 200X, 200CX, H120, H130, H160, D120, & D160 loaders that currently use the JD quick attach system to allow the use of skid steer type attachments. This adapter provides greater versatility to the operators' choice of attachments. This adapter is built to the "universal" skid steer standard with materials that provide strength without unnecessary additional weight, resulting in maximum loader use. Plated handles, pins, springs and bushings provide many years of service.
