## Kubota LA504 & LA534 Loader to Skid Steer Adapter

WorkSaver, Inc. announces an adapter designed to interface with Kubota loader models LA504 & LA534 that currently use pin-on buckets. Using existing loader pins this adapter pins to the loader arms allowing the operator to use skid steer type attachments. This adapter provides greater versatility to the operators' choice of attachments. Built to the "universal" skid steer standard and using plated handles, pins, springs and bushings this adapter will provide many years of service.
