McCormick 125C, Branson SL100, Kioti KL2510 & LS LL201 Loaders to Skid Steer Adapter

Designed to convert McCormick 125C, Branson SL100, Kioti KL2510 & LS LL201 loaders that currently use pin-on buckets to the “universal” skid steer standard. The adapter pins to the loader arms allowing the operator to use skid steer type attachments. Greaseable pins (25mm x 127mm) are supplied to assure a proper fit. This adapter provides greater versatility to the operators’ choice of attachments. Built to the “universal” skid steer standard and using plated handles, pins, springs and bushings this adapter will provide many years of service.
