3-pt Hitch to Skid Steer Adapter

Designed to allow the operator to mount skid steer type attachments to their tractor's 3-pt hitch, this tough reliable adapter will fit category I or II hitches and is quick hitch compatible. All steel construction with plated handles, pins and springs this adapter is shipped with Cat. I lower pull pins (7/8"). To increase its versatility pair it with our Category I hydraulic top link cylinder (831612) to help the operator find that perfect working angle when using skid steer type attachments.

Item #	Description	Weight
835080	3-pt to Skid Steer adapter interfaces with Cat I/II hitch to allow the use of skid steer type attachments	140 lbs.
