## Mini Universal to Standard Skid Steer Adapter

WorkSaver, Inc. announces an adapter designed for Mini Skid Steers / Compact Tool Carriers, allowing standard size skid steer attachments to be connected. The adapter is designed to fit any unit with the “universal mini mount (Toro-Dingo, Boxer, Ditch Witch, Ramrod etc.). This adapter provides greater versatility to your customers’ choice of attachments. In addition, the customer can easily switch attachments between a standard skid steer loader and a mini skid steer, resulting in greater functionality, while offering the owner a low cost of ownership.

Item #	Description	Weight
835010	Designed for mini skid steers w/universal mini mount. Allows the use of standard skid steer attachments on these units.	111 lbs.
