## Mahindra Max 24 L & 26 L Loaders to Skid Steer Adapters

WorkSaver, Inc. is offering two adapters designed to interface with Mahindra Max 24L and Max 26L loader models that currently use pin-on buckets. Using existing loader pins these adapters pin to the loader arms allowing the operator to use skid steer type attachments. These adapters provide greater versatility to the operators' choice of attachments. Built to the "universal" skid steer standard and using plated handles, pins, springs and bushings these adapters will provide many years of service.

Item #	Description	Weight	
835145	Designed for Mahindra Max24 L loader with pin-on buckets it allows the use of skid steer type attachments to be used. (shipped less pins, uses original loader pins) Cap. 1500 lbs.	85 lbs.
