## New Serial Number Label

WorkSaver, Inc. announces that starting in September 2015 a new Serial Number Label will be placed on all Whole Goods items. This new configuration provides the following:

Scannable Bar Codes - the upper bar code provides the item #  
the lower bar code provides the serial #

Scannable 2D Code – the 2D code will provide a “I” number which is the item #  
it will provide a “S” number which is the serial #

Scannable QR Code – when scanned with a smart phone this will take the user to the WorkSaver web page for that product.

Serial Number format is Year, Month, (1508) 2015, August, Assigned # (01195)

Label size is very readable, as it measures 4” x 2”
